

System: LEA Standard 100 and 200 – Last Order Date, End of Production

Dear Customers,

Due to the reduction of complexity in our product portfolio, LiftEquip GmbH would like to inform you that the production of the LEA Standard 100 and 200 systems will be shut down in the next few months and the product will be removed from our product range within the next year.

Last order date* for LEA Standard 100 is January 31, 2024.

> From November 2023 no more offers will be submitted for LEA Standard 100.

Last order date* for LEA Standard 200 is April 30, 2024.

> From February 2024 no more offers will be submitted for LEA Standard 200.

*) We must have received the order completely clarified by this time (e.g. signed system drawing, receipt of down payment if required).

We kindly ask you to announce the orders as early as possible so that the delivery can take place without any problems.

In the period from February to April 2024, it is possible to switch from LEA Standard 100 to LEA Standard 200 at an additional cost.

You can obtain further service from your LiftEquip contact person or via our homepage www.liftequip.com. Documents are still available online for a certain amount of time.

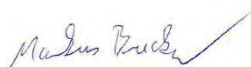

Thank you for your understanding and your support on our way to reduced complexity!

Best regards
